

THE THREE POINT

ZETA THETA CHAPTER

Consul's Corner

My Brothers,

In November we will celebrate the 50th year of Sigma Chi Zeta Theta; this will be a momentous occasion. We are all looking forward to it. Prior to celebrating our 50th year, we should first enjoy the successes of our 49th.

This past spring we initiated a pledge class of fifteen new brothers. These men have already contributed greatly to the house, specifically in their efforts put forth in recruitment this past fall.

Our Recruitment Chairman, Brett Campbell, led our chapter to a very successful recruitment term this past fall. We extended 16 bids and all 16 were accepted; these men will be led through pledging by Magister Clay Roehrig this spring. Another successful term this spring will put the house undergraduate population at its largest in over five years.

This past fall we raised \$1,200 for the Huntsman Cancer Institute in hosting our annual haunted house. We also continued to support the Flushing community by helping the Chamber of Commerce execute Candle Walk. This spring we will shift our focus to Derby Days.

I am proud to say that we received our second consecutive Peterson Significant Chapter Award this summer at the Balfour Leadership Training Workshop hosted by the Delta Delta chapter at Purdue University. In moving forward, we have instituted new academic and risk management policies so that we can continue to strive for improvement.

As always, all are welcomed and encouraged to visit the house anytime. Also, please see our recently updated website at <http://www.ztsigs.org/b-section/>.

We hope to see you all at our 50th Anniversary in November.

In Hoc,
Andrew Sornig ('14)
Consul 2012-2013

Recruitment Update

Another recruitment term is in the books and because of all the brother's hard work and relentless determination I am proud to say that this fall was a success. One of our main goals this recruitment term was to be more selective in whom we extended bids to and also have 100% of our bids returned. In the end, we extended 16 bids and all 16 bids were returned.

Our success this term was only achieved because of the effort put forth by the entire house. This whole house effort showed the strength of our brotherhood which sets us apart in the Greek community. We hosted events such as: Blue and Gold Dinner, Steak Sigs and Cigars, Fight Night, and Viking Dinner. But, what really made this recruitment term were the informal events. The intramural sports, unit buddies, poker nights, go carting, concerts, and trips to college sporting events were the root of our success this past fall. I'm excited to see these new bid accepters through pledging this spring and have high hopes of what they can bring the Zeta Theta chapter.

In Hoc,

Brett Campbell ('13)
Recruitment Chair

If you would like to be involved with pledging next term please contact our Magister, Clay Roehrig at magister@ztsigs.org

our Kustos, Jared Gaynier at kustos@ztsigs.org

Campus Involvement

We take great pride in being a part of the Kettering student body, and we strive to represent Sigma Chi by being involved on campus through many clubs and organizations. Our leadership abilities are evident by the number of members from our chapter who currently hold various positions on campus.

Our campus involvement continues into athletics as we participated in intramural football, soccer, and dodgeball.

Above is one of our two football teams of brothers and rushing freshmen. Our football teams placed 1st and 2nd and competed with each other in the championship.

Jacob Kaarto ('16)
Involvement Chair

Brotherhood

As our house increases in size, it is important that we remember the most important element of Sigma Chi and why we all joined: Brotherhood. That being said I am very pleased to say that despite our exponential increase in size, our brotherhood has remained incredibly tight. We have set the bar to having at least 2 or 3 brotherhood events per school term to keep all of the brothers thinking of why we are here and growing as leaders and a team.

We have also had at least one big brotherhood event during work term, our annual canoe trip was very successful this year with the help of Brother Watson and we expect an even larger turnout for our brotherhood ski trip with over 70 undergrads, alumni, and guests attending. Along with these preplanned events most of the brothers organize events over work term to spend time together and bond every weekend. I'm quite proud to be part of such a tight group of men and look forward to helping maintain this brotherhood.

In Hoc,

Jake King ('14)
Brotherhood Chair

Philanthropy

One big thing that our house has always been involved in is helping out with the community. This year is no exception. I'm excited to be able to say that in the first half of the school year our brothers have performed 10.53 hours of service to the community on average. This number has already surpassed the goal for the entire school year of 10 hours per brother. Brothers have performed things such as helping with setup for the city's annual Christmas event, volunteering to help clean up a church, helping at school events, etc. By doing so, our house has created strong bonds with the community which we live in. Residents of the city will even show up at our front door to ask for help, if needed, because they know we are always happy to. On the other hand, we value doing these events because it helps us grow as a brotherhood. A great example of this would be the Flushing city candle walk event which we helped with. At this event we had 31 out of 33 of our brothers attend. This not only gets us to help out the city, but teaches us to work together and become closer as brothers.

40th Annual Haunted House

This past fall school term we continued the tradition of having our 40th annual Sigma Chi Haunted House, which was a huge success. The event was located at our chapter house over Halloween weekend both Friday and Saturday night. We had many volunteers from Kettering sororities and the freshmen class. The event was fun for everyone and many people said that this was the best Haunted House they had seen in many years. We, as a team of brothers and volunteers, brought in a net profit of \$1,135 that sponsors the Huntsman Cancer Institute at zero cost to the Fraternity. The house was broken up into nine themed rooms/areas that, for example, included a chainsaw, clown, and zombie themed room. We are very proud of all the hard work our brothers put into this event and we look forward to improving it for next year.

Save the Date! - Zeta Theta 50th Anniversary

Nov. 4th– 10th, 2013

The celebration of Zeta Theta's 50th year is fast approaching! All members of the house are pitching in and doing their part to help make this event go off without a hitch, all the while watching as the clock ticks closer and closer to the big day. The house will be open to tours down memory lane the week leading up to the official ceremony. We will all be heading down the road to Skip's later Friday, November 8th for a brothers only get-together. This will be the kick off for the banquet the next day, Saturday November 9th, at the Riverfront Center in Flint.

Banquet

Saturday, November 9th, 2013

Riverfront Center, Flint MI

“Strolling Dining Experience”

Alumni Brunch

Sunday, November 10th, 2013

Zeta Theta Chapter House

Private Open House & Brunch

Early Bird Discount tickets will be available till June 1st 2013, with prices increasing monthly. Also for sale will be 50th Anniversary commemorative plaques. This is a great way to remember the event, and all proceeds will go to the Zeta Theta Chapter House Preservation Fund. Look for more details on the event in the future on our website at <http://ztsigs.org/ztf/50th-anniversary/>

Any questions can be directed to Chris Channell, channell2002@hotmail.com.

Need to update your contact information? Please contact Chris Channell, channell2002@hotmail.com to submit any changes, or if you're looking for information from the Alumni contact list. Additionally you can choose to visit <http://directory.ztsigs.org/index.php>

In Hoc,
Joe Houlihan ('16)

Would you like to help us?

Please send us any photo's that you have of your time in the house to joseph.houlihan1@gmail.com, we will be compiling them and displaying them at the 50th

One of our undergraduate brothers has taken it upon himself to create a lineage tree going back as far as possible. If you can provide us with information such as your pledge class year, big brother, little brother(s), and section it would be very helpful and much appreciated. You can send this information directly to Eric Kosek at ekosek1718@gmail.com.

You can view the current state of the tree at <http://www.ztsigs.org/b-section/active/lineage-tree/>
