

THE THREE POINT ZETA THETA CHAPTER

Consul's Corner

My Brothers,

On behalf of the brothers of the Zeta Theta chapter of The Sigma Chi Fraternity, I extend our deepest condolences to our beloved Brother Dennis Richard Ritz, who recently entered the chapter eternal. Our full support goes out to Dennis' family for anything they may need, and we know all the alumni of the Zeta Theta chapter are behind us.

Over this past spring term our Magister Andrew Disanto, and the brotherhood here at Zeta Theta, pledged a class of ten new brothers; putting our undergraduate population at 44. Each of them shows promising signs of continuing the lasting traditions we have developed here at Sigma Chi Zeta Theta. With these new initiates our numbers are the largest they've been in over 7 years.

During this past term we raised over \$3000 for the Huntsman Cancer Institute during our annual derby day's week. Our Philanthropy Chairs Dave McLenithan and Kyle Canavan created several new events that proved successful both monetarily and competitively. They have set the bar very high for the next year.

As we approach the fall term, we will be gathering behind our Recruitment Chair, Nathan Mines, to recruit another class of successful young men. The recruitment team is already hard at work developing the recruitment calendar to ensure Sigma Chi's success in the fall.

As always, we strongly encourage all alumni to visit the house anytime; and would love to have alumni at any of our weekly chapter meetings. Our meetings are held every Sunday at various times; anyone interested can contact me at: (248) 892-4033

In Hoc,
Robert Trask (15')
Consul 2014-15

Recruitment Update

The Zeta Theta chapter is anxious to begin its 2014 recruitment term. After receiving 15 of the extended 16 bids back from last year, the chapter is striving for even greater success. With the support of the house, there is no doubt that the chapter will continue to grow in size and quality. The recruitment team is also looking to include some new events for the 2014 calendar. Being the biggest fraternity on campus at Kettering University, it is important to remember those high standards to which we all hold ourselves accountable to.

In Hoc,
Nathan Mines ('16)
Recruitment Chairman 2014-15

Campus Involvement

We take great pride in being a part of the Kettering student body, and we strive to represent Sigma Chi by being involved on campus through many clubs and organizations. Our leadership abilities are evident by the number of members from our chapter who currently hold various executive positions on campus.

Student Senate

Jacob Foster – Junior Representative

Operations Council

Rob Trask - Director

Finance Council

Jacob Kaarto – Assistant Treasurer

Unit Buddy Fall '14

Bobby Marks

Derek Earle

Robert Trask

Club Presidents

Cody Cochran – Golf Club

Adam Henry – Society of Plastics Engineers

Inter-Fraternity Council

Cody Cochran- Secretary

Eric Kosek- Recruitment Chair

Derek Earle – PR Chair

Student Alumni Council

Cameron Germain - President

Tyler Saurwein - Treasurer

Compass Crew

Ben Fedewa

Institute of Industrial Engineers

Matt Feld – President

Nico Butler - Treasurer

Aside from these roles, many other brothers are involved in the organizations mentioned above acting in various other crucial roles.

Derby Days 2014

The last week of April in 2014 marked another successful Derby Days event for the Zeta Theta B chapter. Our chapter teamed up with the sororities at Kettering University, a team of independents and a team from Wayne State to raise money for the Huntsman Cancer Institute. It was a packed week full of fun events, friendly competitions, social gatherings, and generous donations of time and money. Some of the best events were Jacks Night, Flushing Road Rally, and volunteering for the local Flushing Historical Society. Together we were able to raise an outstanding \$3,564, which was split with the winning Derby Days team and donated to the Huntsman Cancer Institute (HCI). Jon M. Huntsman (Penn. 1959) is the Sigma Chi brother who invested \$300 million to establish the Huntsman Cancer Institute in 1995. Brother Huntsman has made it his life's work to eradicate cancer. He has committed that 100% of your donations will be used to fund groundbreaking cancer research. We are pleased to be able to donate \$2,633, nearly double our Derby Days contribution from last year, and will continue to offer our time and money to help the amazing cause.
