ZETA THETA CHAPTER

Update at a Glance

The chapter has just wrapped up its summer term and all are excited to sport their summer tans at the office for our fall work term!

During last term we put our rushing caps on and had 13 bids returned to us. Next winter these young men will be the first to experience our new Preparation for Brotherhood program and be transformed into Sigma Chis.

In other big news, we had our NFL BBQ in September and were able to connect with alumni, old and new, for some good food, good football, and good times. As well, we had one of our biggest semi-formal attendances in recent history, with over 120 attendees. Finally, during one late August weekend, all the brothers piled in their cars to head up to brother Witucki's cabin for a fun-fueled brotherhood weekend.

RECRUITMENT UPDATE

After a successful rush term, led by recruitment chair Youseff Najjar, we are proud to say that we have 13 bid acceptees for this coming pledge term. Rush events this year included paintball, bubble soccer, volleyball, Runkleball, and of course Sigma Chi Night.

NFL KICKOFF BBQ

As mentioned in our last edition, during the NCAA Tournament last March, our chapter won a competition hosted by FansPlay.com. The competition was simple in concept: sign up on the site, and fill out a tournament bracket if you desire. In return, the top 10 chapters with the most people signed up were slated to win some awesome prizes, with first being a \$10,000 donation to a charity of your choice, \$5,000 spending money for an event of your choice, and a Kick-Off barbecue, among other smaller prizes.

We managed to snag 4th place, and as a result qualified for a full barbecue event for up to 300 people, catered and set up by FansPlay, at a location of our choosing. We elected to host our event in the Back 40, and with our budget we had a great meal

of steaks and delicious sides prepared by our chef Jodi!

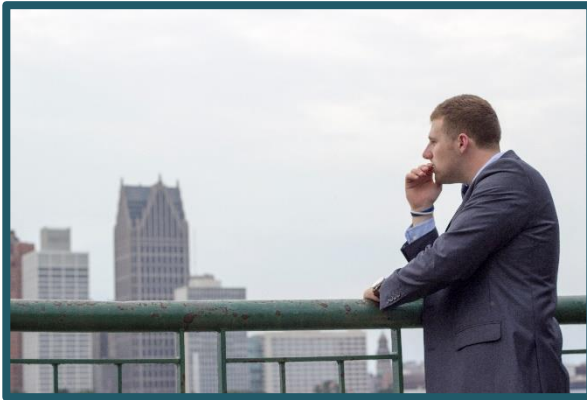

Additionally, we rented out multiple inflatables including a jousting arena and a Velcro wall. It was a great event to unwind before finals and start the NFL season!
