## ZETA THETA CHAPTER

Brothers,

We have started work on the Cafeteria. The renovation will be a multi-phase project, with intensions to reduce any interference with the brother's daily life. This term is also very important as B-section works to initiate a new class into our brotherhood, and A-section will start recruiting midsummer. The first phase, was the installation of the cafeteria HVAC system, as seen below. We will continue to update everyone with pictures of the cafeteria project as it progresses. See them here at <http://ztsigs.org/ztf/projects/>

### The Competition continues...

We have started off the year on a somewhat slow start, and we need your help to jump start us for 2016. Our goal has increased since last year and with some annual expirations, we look to additional brothers to lend a helping hand. Know that House Corp and the active brothers from both sections always appreciate the support, and your donation will go straight towards the cafeteria project as we continue to make the house better for the future generations of Zeta Theta.
