

PLANNING FOR THE FUTURE

Friendship - Justice - Learning

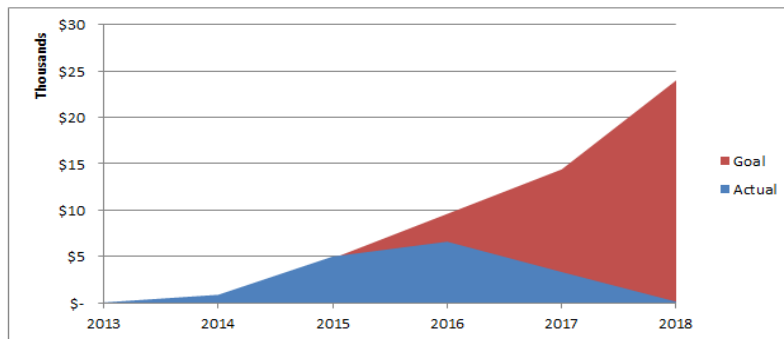

ZETA THETA CHAPTER

Brothers,

As you may have seen in our last update the cafeteria is completed and looks amazing. It had been a long time coming and the new look is impressive and gives the house character and modern look as the next generation of brothers charge into the future. The next project will be the garage rebuild which will also have storage for each section, allowing them to get rid of the monthly payments on their current storage unit rentals. The garage is the last of the planned projects prior to the 55th anniversary. If you missed the finish pictures of the cafeteria you can see them here. <http://ztsigs.org/ztf/projects/>

Donation Update

First, I want to thank everyone for the rally we had after the last update. As you can see in the chart below, we still have some work to do to meet our goal for this year. This is achievable, but we need some help from brothers of all ages to pitch in. We made our goal last just at the end of the wire, and I have a feeling this year will be the same. House Corp never takes this support for granted, and we understand that each brother has obligations, we appreciate all the support.

The Competition continues...

We have had a close race between two classes PC03 and PC10 from B-Section, as the lead has gone back and forth over the last couple of months. The race is between one of the larger classes of 16 brothers and one of the smallest classes of only 2. This allows any size class to be competitive and it is still anybody's game. The competition is focused on the amount dollars captured by each class, not by how much is earned. To capture more dollars, simply get more brothers from your class to join the pursuit.
